ANNUAL REPORT
OF
HINSDALE, N. H.

1990

DEDICATION

The Hinsdale Selectmen are pleased to dedicate the 1990 Town Report to Robert N. Savory, a citizen who served the Town in many ways throughout the years. As a result of this service, the people elected him to the position of tax collector from 1978 to 1989.

In 1966 Bob was a charter member and helped establish the Hinsdale Little League. He remained very active in the League, umpiring for 15 years.

He has, over the years, unselfishly used his electrical skills to serve the Town. He wired both the Little League Scoreboard and the Scoreboard and pressbox in the High School gym. During the late 1960's and early 1970's Bob maintained the Town Hall Clock and its lights, not an easy task. And, for the last 20 years, he has stored, maintained and installed all of the lights for the Hinsdale's night before the 4th celebration. (For 10 of those years he also manned a booth.)

For all of these years of service we, the Selectmen of the Town of Hinsdale, on behalf of all of the Town, offer our appreciation to Bob Savory.

To the Board of Selectmen
Town of Hinsdale, New Hampshire

We have audited the general purpose financial statements of the Town of Hinsdale, New Hampshire, as of and for the year ended December 31, 1989, as listed in the table of contents. These general purpose financial statements are the responsibility of Town officials. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Town officials, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Asset Account Group which should be included to conform with generally accepted accounting principles. The amount that should be included in the General Fixed Asset Account Group is not known.

As described in Note 1, the Town has recognized tax revenues of \$114,443 in the General Fund and \$328,805 in the Property Tax Agency Fund which were not received in cash within sixty days of year end as is required by generally accepted accounting principles (GASB Interpretation 3). Town officials believe, and we concur, that the application of this accounting principle, which would result in a decrease in the General Fund balance to (\$92,942), would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the omission of the financial statements described in the third paragraph, the general purpose financial statements referred to above present fairly in all material respects the financial position of the fund types and account groups of the Town of Hinsdale, New Hampshire at December 31, 1989 and the results of operations and changes in financial position of its proprietary fund types for the year then ended, in accordance with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental and supplementary schedules listed in the table of contents are presented for purposes of additional analysis and are not

a required part of the general purpose financial statements of the Town of Hinsdale, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

1990 LIBRARY REPORT

Another year has passed in which we have tried to furnish you with the latest reading matter - Fiction, Non-Fiction, and Children's Books covering Holidays, School Projects, Hobbies and matter of interest to all. We have a new set of 1991 Americana Encyclopedias, also a new file cabinet.

The tax forms and instructions are now available. We will have town budgets and reports soon.

We did not have our Book Sale and Summer Reading Program due to the illness of Elizabeth Glover who has retired. We still miss her and thank her for a job well done. Our new librarian is Frances Waclawik. Many thanks to Marjorie Johnson and Shirley Wright for helping out this Summer. It is greatly appreciated. As there was no space available to hold a Book Sale, at present we do not have room for book donations, but will put up a sign in the library when we have a firm date.

We still have copies of "Not Without Peril" and more copies of the History of Hinsdale for sale.

In order to clear up our file of "overdue books" we will have one week of Free Returns, the first week in April. Please help us to get these books back in circulation.

The public is invited to the Monthly Meetings of the Trustees and Librarians held from September to June on the second Tuesday at 7 P.M. at the library.

Frances Waclawik, Librarian
Mildred Draleaas, Asst. Librarian

REPORT OF HINSDALE'S CONSERVATION COMMISSION

Hinsdale's Conservation Commission, which became inactive following initial completion of Heritage Park about 10 years ago, was re-activated this year.

Following state mandate the Conservation Commission plans to establish an index of the town's public and quasi-public open space and wetlands including information on its proper and best possible useage.

Appointed to the committee were: Anne Dominick, John Duggan, Jeremy Garland (alternate member), Robert Holt, Elaine Hodgman, Cheryl Piquette, Sharron Smith and Fred Wolfe.

Respectfully submitted,

Anne Westbrook Dominick
Chairperson

POLICE DEPARTMENT ANNUAL REPORT

I wish I could start my third annual report the way I did my second one, by saying that Hinsdale is a "major crime free community."

The title "major crime free" was tainted by the community suffering from an armed robbery in January of 1990 at our state liquor store. Fortunately thanks to many area Officers, the criminals were apprehended and two of the three subjects are in the state prison.

We have also suffered from some major burglaries, fortunately many of those have been solved.

There were many dollars worth of damage done to our schools, caused from vandalism. These cases have been solved and the juveniles and an adult were brought to court and ordered to make restitution.

As the recession in our country deepens, I am afraid that crime is going to increase, not only in Hinsdale but throughout the land. I will promise the citizens of Hinsdale that we will continue to do our best at discouraging crime in our community and hopefully keep up a high solvency rate. This of course, is done through dedicated Officers and an awareness of citizens to continue to report a crime to the Police either when they have seen one happen or about to happen. We must work hand in hand to help keep Hinsdale a great place to live, work, play and raise our children.

I would like to thank the Board of Selectmen and various other committees who make up the town government structure who makes it easier to perform an otherwise very difficult job.

I would also like to thank the citizens of Hinsdale for being more aware of their surroundings and for reporting crime and suspicious incidents to the Police.

Respectfully submitted,

Clayton W. Grover, Jr.
Chief of Police
